This is the \LaTeX abstract preparation template for the IAA Planetary Defense Conference. Each abstract will be evaluated by the members of the program committee and scored based on quality, originality, and relevance to conference. The abstracts will be ranked according to a score and selected for presentation based on the available space. Please note that failure to follow this format will lead to rejections of the paper without review. If selected for presentation a paper or an extended abstracts will be is required.

The abstract length should be between 250 and 500 words. It must contain the paper title, the author names, their corresponding affiliation, postal and e-mail addresses. The abstract shall be prepared using the following format:

- Paper: standard A4 paper (21.0 × 29.7 cm)
- Margins: 2.54 cm (all sides)
- Title: 12 pt bold, Arial, centered, all capital letters
- Author names: 12 pt bold, Arial, centered
- Affiliation: 12 pt italic, Arial, centered

*Corresponding author

Email addresses: email@server1 (First M. Last1), email@server2 (First M. Last2)

¹Title1, Department1

²Title2, Department2

- Abstract body: 12 pt, Arial, justified with single line spacing
- Equations, figures, literature may be included with references in the body text

Abstracts must be written in English and should be submitted to the IAA as Microsoft Word files (.doc, .docx) or Portable Document Format files (.pdf) within the deadline. All papers must be submitted online to iaapdc (at) iaamail.org It is recommended to proof read the paper before submission. Word format files are preferred but pdf format files will also be accepted.

Notification about the review process is planned according calendar. This will give the possibility to profit from the “early registration fee” of the conference. Please note that the presenting author of each accepted abstract has to register to the conference.
